Fundraisers

Dear Friends,

We're excited to offer a new fundraising opportunity for you to earn money back for your organization! It's as simple as selling \$25 gift cards, and for every card sold, we will donate \$5 back to your organization.

At Hoen's, we are proud to grow the very best plants for you. We are known for our superior quality and wide selection of premium annuals, perennials, vegetables, herbs, hanging baskets and much more! We take so much pride in our friendly, professional and knowledgeable staff. They will provide you and your customers with the advice and service you deserve to be successful.

Our fundraiser is simple.

- Supply your customer with our fundraiser information form.
- Ask them how many gifts cards they would like to purchase for \$25 each. Have them fill out the order form to leave with you along with their payment.
- Once you are finished selling to all your customers, bring the forms and payment to Hoen's to purchase the number of gift cards sold. *NOTE: If your customer is paying by check, all personal checks must be made out to your organization. One final check (or cash) for the total amount purchased is then payable to Hoen's Garden Center & Landscaping.*
- Distribute gift cards back to your customers.

Hoen's will write a check to your organization for the total earned.

Example: If your group sells (200) \$25 gift cards, you will receive a check for \$1,000.00

Sincerely,

Hoen's Garden Center & Landscaping
Darlene Putnam / Fundraising Manager
